

**REMARKS**

Claims 1-10 are pending, with claims 1 and 6 being independent. By virtue of this amendment, claims 1, 3, 6 and 8 are amended.

The Examiner objected to claim 8 as being improperly amended. Applicant has properly amended claim 8 above and respectfully requests that the objection be withdrawn.

Claims 1-10 are rejected under 35 USC section 103(a) as being unpatentable over *Conroy, et al.* (U.S. Patent 6,459,684, hereinafter "Conroy") in view of *Schwartzman, et al.* (U.S. Patent 6,888,883, hereinafter "Schwartzman").

A telephonic interview was held between the Examiner and Applicant's representative, Paul Churilla, on December 7, 2006. In that interview, the Examiner agreed that the foregoing amendments to independent claims 1 and 6 would require further search and consideration. Accordingly, Applicant is filing a Request for Continued Examination along with this Preliminary Amendment and Interview Summary. Applicant respectfully requests that the Examiner withdraw the rejections over Conroy in view Schwartzman of claims 1 and 6 and their respective dependent claims 2-5 and 7-10.

Applicant respectfully submits that the claims are in condition for allowance and requests notification to that effect. The Examiner is invited to telephone Applicant's attorney (360-554-8042) to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 50-3521.

Respectfully submitted,

Brake Hughes PLC
